# HOW TO USE THESE WORKSHEETS

These pattern worksheets can be used to consolidate learning of patterns. They can be used for independent work, worked on with teacher or used as an early finisher activity.

There are varying levels within this pack and larger font for younger learners. Choose a page that is most suited towards your student/s.

## Assessment:

At the end of each page is an self-assessment opportunity. I love including these in my work as it's such an easy and effective way to teach the children self-reflection and to see at a glance who needs some help. In the assessment included in this pack, the children are invited to draw the face on the character to express how they feel about this work.
